#### **Consulting Engagements.**

All DIA members receive a discount on consulting engagements offered and executed by DIA. The founding Board member schools have a variety of institutional strengths. The executive director of DIA utilizes the appropriate resources at these schools to execute different institutional consulting engagements such as enhancing school culture, faith formation programming, board governance, parish-school relations, community systems, faculty formation, strategic planning, and executive coaching. DIA can customize the consulting engagement based on the client-school's needs.

#### **Early Access to DIA's Quarterly E-newsletter, *The Cenacle*.**

Also known as the Upper Room, the Cenacle was not only the site of the Last Supper, but the room in which the Holy Spirit alighted upon eleven apostles on Pentecost. As DIA's quarterly e-newsletter, *The Cenacle* aims to inspire its readers to grow in faith by

feeding the mind and nurturing the soul. Guest writers-in-residence at DIA schools offer timely pieces related to challenges and topics in our own Catholic schools and facing Catholic education at-large. Early access allows members to be privy to important topics and trends and thereby lead their schools and teams from a position of strength.

**Access to Semiannual Founders' Forum.**

Twice a year, the Board members of DIA convene a Founders' Forum in which confidential and challenging issues facing our Catholic schools are discussed. Collective wisdom and resources guide participants to discern a prudent path forward for their own school. This offering is available for DIA members at the Full level. For the 2020-21 academic year, the dates of the Founders' Forum are Wednesday, October 28, and, February 25, 2021.
