

DIA Schools Summit Pilgrimage

Join fellow Catholic School leaders, teachers and campus ministers on a two-day pilgrimage October 21-23, 2022, through the “Holy Land” of Southern California. Pilgrims make trips to spiritual sites such as the only standing chapel in which St. Junipero Serra said Mass and the gorgeous, newly-built St. Michael’s Abbey, home of a dynamic Norbertine community. All of this is done while seeking the intercession of St. John Paul II on the weekend of his Feast.

Will F. Peterson, founder of Modern Catholic Pilgrim, leads the group on an intentionally simple and spiritual journey modeled on the “Road to Emmaus” passage in Luke’s Gospel. The days are given over to praise of God in mind, body, and spirit and to reflection on the DIA Schools Summit. The nights are given to fellowship and a deepening of Summit experience through further presentations by noted speakers.

Pilgrims must be able to handle some walking each day while covering changing elevations. We will stay in the same hotel that hosted the DIA Schools Summit. Transportation to area airports will be provided and all meals are included for the very affordable rate of \$275. Our group size is limited, and for planning purposes registration closes October 1, 2022, so please register early.
