ANNUAL MEMBERSHIP IN DUC IN ALTUM SCHOOLS COLLABORATIVE

\$1,500

OCTOBER 31, 2022 - JUNE 30, 2023

Schools and dioceses are invited to take part in the DIA Schools Collaborative network of Catholic institutions committed to sharing best practices and resources, strengthening the leadership and decision-making of our organizations. DIA Schools Collaborative strives to build community among like-minded educators to improve Catholic formation and identity in today's increasingly secular society.

WHAT'S INCLUDED:

MASS INTENTION OFFERED BY DIA'S CHAPLAIN

At least once a year, the DIA Chaplain offers a Mass for each member school or diocese. The DIA Chaplain prays, out loud, for each institution by name.

OFFICE HOURS WITH DIA BOARD MEMBERS

A designate from each DIA member school or diocese can participate in a complimentary 30-minute coaching session during the Schools Summit. This executive coaching opportunity is a powerful resource to grow as a school leader. Additional consulting can be contracted through an engagement with [AltumEdge](#).

CONSULTING ENGAGEMENTS

All DIA members receive a discount on consulting engagements offered and executed by [AltumEdge](#). The founding DIA Board member schools have a variety of institutional strengths which are the resources for AltumEdge. The executive director of DIA Schools Collaborative utilizes the competencies at these schools to execute consulting engagements, such as: enhancing school culture, faith formation programming, parish-school relations, community systems, and faculty formation. AltumEdge will customize the consulting engagement based on the client-school's needs.

DIA LISTSERV

Throughout the school year, DIA members designate three of their leaders to be on the listserv. They can ask for advice and share resources using a Google Group. This platform presents an unstructured avenue for seeking recommendations, sharing contacts and other suggestions for successfully operating our institutions.

DIA FELLOWSHIP DISCOUNT

The [Fellowship](#) is a year-long development opportunity for selected candidates who seek to work with counterparts from Catholic schools across the country. Through monthly meetings with mentors, the objective is to amplify faith formation at each Fellow's school. Member school applicants receive a 20% tuition discount. The third cohort is now open - apply [here](#).

EARLY ACCESS TO DIA'S QUARTERLY E-NEWSLETTER, *THE CENACLE*

Also known as the Upper Room, the Cenacle was not only the site of the Last Supper, but the room in which the Holy Spirit alighted upon eleven apostles on Pentecost. As DIA's quarterly e-newsletter, [The Cenacle](#) aims to inspire its readers to grow in faith by feeding the mind and nurturing the soul. Guest writers-in-residence at DIA schools offer timely pieces related to challenges and topics in our own Catholic schools and facing Catholic education at-large. Early

access allows members to be privy to important topics and trends and thereby lead their schools and teams from a position of strength.

FOUNDERS' FORUMS

At least quarterly, the Board members of DIA convene a Founders' Forum to discuss confidential and challenging issues facing our Catholic schools. DIA Member Schools select two of their leaders to participate. Collective wisdom and resources guide participants to discern a prudent path forward for their own school. Founders' Forums are scheduled in October (just before the opening of the DIA Schools Summit), and in February. Virtual meetings are also offered in September, December and June.

JOB BOARD POSTING

All DIA members have access to post on [DIA's job board](#) at no cost. DIA's job board is regularly updated and auto sends to its membership an update anytime a new opportunity is posted.

ANNUAL REPORT

DIA Schools Collaborative will glean relevant information annually from member organizations related to the successful operation and evangelizing mission of our Catholic schools. The annual report will provide various metrics and data, which will help with benchmarking and guide decision-making.
