JANUARY 1, 2026 - JUNE 30, 2026

HALF-YEAR MEMBERSHIP IN DUC IN ALTUM SCHOOLS COLLABORATIVE

\$750

Schools and dioceses are invited to take part in the DIA Schools Collaborative network of Catholic institutions committed to sharing best practices and resources, strengthening the leadership and decision-making of our organizations. DIA Schools Collaborative strives to build community among like-minded educators to improve Catholic formation and identity in today's increasingly secular society.

WHAT'S INCLUDED:

MASS INTENTION OFFERED BY DIA'S CHAPLAIN

At least once a year, the DIA Chaplain offers a Mass for each member school or diocese. The DIA Chaplain prays, out loud, for each institution by name.

ONE REGISTRATION - 2026 DIA SCHOOLS SUMMIT

One registration for the [2026 DIA Schools Summit](#), October 26-28, on the University of Dallas campus, valued at \$475 per person, are included in annual membership.

OFFICE HOURS WITH DIA BOARD MEMBERS

A designate from each DIA member school or diocese can participate in a complimentary 20-minute coaching session during the Schools Summit. This executive coaching opportunity is a powerful resource to grow as a school leader. We can discuss additional consulting services through DIA, matching your needs with attributes of our member schools.

DIA LISTSERV

Throughout the school year, DIA members designate three of their leaders to be on the listserv. They can confidentially ask for advice and share resources using a Google Group. This platform presents an unstructured avenue for seeking recommendations, sharing contacts and other suggestions for successfully operating our institutions.

FOUNDERS' FORUMS

A few times each school year, the Board members of DIA convene a Founders' Forum to discuss confidential and challenging issues facing our Catholic schools. DIA Member Schools select two of their leaders to participate. Collective wisdom and resources guide participants to discern a prudent path forward for their own school. Some Forums are virtual, and we'll hold one in person in conjunction with the DIA Schools Summit.

JOB BOARD POSTING

All DIA members can post on [DIA's job board](#) at no cost. DIA's job board is regularly updated and auto sends to its membership an update anytime a new opportunity is posted.

EARLY ACCESS TO DIA'S QUARTERLY E-NEWSLETTER, *THE CENACLE*

Also known as the Upper Room, the Cenacle was not only the site of the Last Supper, but the room in which the Holy Spirit alighted upon eleven apostles on Pentecost. As DIA's quarterly e-newsletter, [The Cenacle](#) aims to inspire its readers to grow in faith by feeding the mind and nurturing the soul. Guest writers-in-residence at DIA schools offer timely pieces

related to challenges and topics in our own Catholic schools and facing Catholic education at-large. Early access allows members to be privy to important topics and trends and thereby lead their schools and teams from a position of strength.

ANNUAL REPORT

DIA Schools Collaborative will glean relevant information annually from member organizations related to the successful operation and evangelizing mission of our Catholic schools. The annual report will provide various metrics and data, which will help with benchmarking and guide decision-making.
